Rachel Wojo : Pure Joy: Bible Reading Plan Journal before purchasing it in order to gauge whether or not it would be worth my time, and all praised Pure Joy: Bible Reading Plan Journal:

By Ronda McFalls I purchased this hoping to help get me in the routine of actually having morning devotions every morning it has worked just as I had hoped. Each page gives you an opportunity to read the verses for that day then helps me to think what I have in my life that brings me joy. Sometimes whenever I don't feel real joyful I can stop either read (or think about) the things that I have listed as bringing me joy that helps remind me. There is room on the pages to doodle or draw things so that you can personalize it to fit just what you need. Definitely recommend this for an easy way to start having daily devotions. 4 of 4 people found the following review helpful. I love this journal because it is easy to read. By God's Girl This journal arrived ahead of schedule. I love this journal because it is easy to read, helps me to stay focused on a theme word each day and keeps me excited about my morning studies. The daily reading each day centers me and set me up for what the day will bring. Thank you Rachel for acting on God's Vision for this project. 2 of 2 people found the following review helpful.
